

DEPARTMENT: MECHANICAL

S.No	Faculty Profile	Contact No.	Photo
1.	<p>Mr. Mukesh Waikar - holds double graduation - BE Mechanical & B.Sc. He has a total experience of around 28 Years - 18 years as a trainer and 10 years of Industrial experience. Prior to joining CRISP, he worked as Manager in a Textile and Pharmaceutical Industry. He is working in CRISP since 1998 conducting In-house as well as on-site training for Industries; while in CRISP he has also developed several Competency Based Training Modules. His areas of expertise are Hydraulics and Pneumatics Controls.</p> <p>He has been trained in India and Abroad in the field of Hydraulics, Pneumatics, PLC, CNC, DACUM, and Training of Trainers.</p>	9039728681	
2.	<p>Mr. Sandeep Sarse - holds M.Tech degree in Industrial Design. He has a total experience of around 21 Years as a trainer. Prior to joining CRISP, he worked as an expert in CAD/CAM in NITTTR (formerly known as TTTI), Bhopal. He is working in CRISP since 1998 conducting In-house as well as on-site training for Industries; while in CRISP he has also developed several Competency Based Training Modules. His areas of expertise are CAD/CAM and CNC. He has been trained in India and Abroad in the field of CAD / CAM – CATIA / UG NX / ProE, MOULD DESIGN, Precision Manufacturing – such as Wire Cut, CMM and Reverse Engineering.</p>	9826405464	
3.	<p>Mr. Govind Sharma - is a Mechanical Engineer and a Certified Energy Manager from Gol. He has a total experience of more than 24 years in working in Industries and as a trainer. Prior to joining CRISP he has worked with M/s ATV PROJECTS (I) LIMITED and M/s HEG Ltd. He is working with CRISP for the past 7 yrs., providing training to industries in India and international participants in Ethiopia. His areas of expertise are in the field of production and design of pressure vessels and Maintenance of plant engineering equipment.</p>	9755002142	

4.	<p>Mr.Kamlesh Kushwaha - is a B.E. Graduate mechanical engineer; he is having 7 years of work experience in the field of manufacturing and training. He is currently working with CRISP Bhopal, Since Feb. 2020 as a CNC Trainer. Earlier, he has worked with IL&FS Skill Development Corporation Limited (Chhindwara) as Training Officer, Amtek Auto Limited (Mandideep) as a GET, Aquasub Engineering (Coimbatore) as a CNC/VMC Apprentice. His area of expertise is CNC Turning and CNC Milling Programming on Fanuc and Siemens controller, CAD-CAM through AutoCAD / UG-NX.</p>	8871600102	
5.	<p>Mr.Atul Vishwakarma - Atul Vishwakarma is a Chartered Engineer from Institution Of Mechanical Engineers (India) with a vast experience of more than 27 years. He has worked in reputed organizations KLG SYSTEL LTD as Regional Manager. He joined CRISP as a trainer on 1st July 2011. He has been trained in Pedagogy and Knowledge sharing program at CRISP. His areas of Expertise are AutoCAD, AutoCAD Mechanical, AutoCAD Electrical, Autodesk Inventor and CATIA.</p>	9826086607	
6.	<p>Avanindra Nath Bartaria - Avanindra Nath Bartaria, M.Tech (Industrial Design), has an experience of 17 Yrs. working in Industry and training. He has worked with M/s Welspun Corporation, Gujarat for 2 years in a leading position; presently is working in CRISP since 2000 conducting training for Industries. His areas of expertise -CNC Programming, Machining & AutoCAD. He has attended training in India & Abroad from reputed institutions in CAD/ CAM-CATIA/ UGNX/ ProE, MOULD DESIGN, Precision Manufacturing – such as Wire Cut, CMM. He has also to his credit a paper presentation in a National Conference.</p>	9425301618	
7.	<p>Lalit Kumar Daheriya - holds a B.E degree (Industrial & Production) and M.Tech (Heat Power). Prior to joining CRISP he has worked as Assistant Professor in a Pvt. Engineering College, in Jabalpur. He is working in CRISP since 2013. His area of expertise is in Design & Manufacturing, AutoCAD, CATIA / UG-NX / ProE and STAAD Pro and is conducting training for Industries. He has undergone specialized training in STADD Pro from Bentley Authorized Training Institute, Pune.</p>	9425330202	

8.	<p>Sudhir Vishwakarma - is PDAE in Automobile; and has a rich experience of 26 Yrs. working in Industry's' and training. He has worked with Bajaj Auto, Honda Genset, MSIL (Maruti), TATA MOTORS, Volkswagen, TVS Motors, Automobile Dealers and Companies. He is working in CRISP since 2012 conducting training for Industries. His areas of expertise are in Car Mechatronics, Certified VW & TVS, and Bosch training for welding. He has attended training at Bosch, TVS and Volkswagen. He has also developed Curriculum of Automobile for NCERT and was also a Jury Member for Skill Development Competition for the Automobile sector. He is Master Trainer from NSDC.</p>	9589496819

DEPARTMENT: ELECTRICAL, ELECTRONICS & INSTRUMENTATION

S. No.	Faculty Profile	Contact No.	Photo
1.	<p>Mr.Sudheer Kumar Jain - holds a degree of M. Tech (Digital Communication) with experience of around 30 Years of working in the maintenance department in the Industry. A few of these are M/s Haryana Telecom Rohtak, M/s BRB Cable Kushtia, M/s Optel Telecom, Mandideep, M/s Vikram Cement Khor, M/s JK Synthetics, Jhalawar. He has started his career as Lecturer in Electronics Engineering in K E S Engineering College Pen, Dist-Raigad Maharashtra, Bombay University.</p> <p>He is presently working in CRISP since 2004 and has conducted training for Industries. His areas of expertise are PLC, MMI/SCADA, and Industrial Drives. He is currently in the consultancy division as Sr. Manager and carrying out Industrial Automation consulting, Assessment of Institutions, ITI, Polytechnic, Engineering College.</p>	9425015218	
2.	<p>Mrs.Asha Nair - holds a degree of M.Tech (Digital Communication) having total experience of around 26 years in the area of Electronics Engineering with 4 Years of working experience in Industries like BHEL and Uniscan Soonics Pvt. Ltd.</p> <p>She is working in CRISP since last 22 years, she conducts training programmes for corporate batches in India and also had opportunity of conducting International Training Programs at National Cements (Dire Dawa), TVET Centre (Addis Ababa), Unilever (Dukem) in Ethiopia. Her areas of expertise are</p>	9893381769	

	Electronics Maintenance, Embedded System Design, PLC, MMI and VLSI Design. She has undergone training abroad and in India from reputed institutions. She is a certified trainer of Electronics Sector Skill Council of India.		
3.	Mr.Ravi Shankar Sharma – holds master’s degree of M-Tech (Digital Communication) having 13 years industrial experience in the field of Automation in Cement plants and has around 14 years of training experience in CRISP. His areas of expertise are AC/DC Drives which he has developed the Curriculum for these training. He has attended training in Siemens AC Master Drive and Siemens Sinamics G120 Drive. His areas of expertise include Solar PV Installation and maintenance, Power Electronics and Drives and skill development program sponsored by Govt of India. He is a Certified Trainer of SCGJ.	9425170188	
4.	Mr.Vijay Saxena - holds M.Tech degree in Electrical Power System, having an experience of around 26 Years of working in Industries as well as Training. His areas of expertise are in Industrial Automation and Electrical Control. He has worked with Afflatus International Pvt. Ltd. (A System house of Allen Bradley India Ltd.), CIFM(A group of Wallace Flour mills Ltd.) and Manakshia Closures Ltd. He is working in CRISP since 2000. As a trainer he has conducted various training for Industry personnel, Technical Teachers and Job seekers. He has undergone training abroad and in India from reputed institutions on Electrical Transformer & Switchgear, DG Operation and Maintenance, Solar PV Maintenance, PLC and Drives. He is certified Trainer of ESSCI of Wireman Control Panel and Electrical Assembly Operator Control Panel.	9425029865	
5.	Mr.Annapurna Nand Tiwari - holds Engineering degree in Instrumentation & Control and an M.Tech in (VLSI). He has total Experience of around 15 years in various Industries and training, out of which 11 years’ experience in Operation & maintenance of-Thermal power plant & Distillery and 4 years training experience in CRISP. He has worked in Industries – GPIL, Raipur as Asst.Engineer, Vardhman Yarns, Mandi deep Raisen (a Unit of Vardhman textiles Ltd.) as Engineer, Jaypee group, Balaji cement, Vijaywada as Engineer, Som distillery Raisen, as Manager, Haryana Organics as Asst. Manager. He has conducted training programmes in different industries like Hindustan Zinc, Chambal Fertilizer, Bina Refineries, Ship Industries and also had opportunity of conducting International Training Programs at TVET Centre (Addis Ababa). His areas of	9893320613 9617981313	

	expertise include Field Instrumentation, Solar, Power Electronics and Drives and skill development program sponsored by Govt of India. He is a Certified Trainer of ESSCI and SCGJ.		
6.	Mr.Piyush Jain - holds a B.Tech degree in (Electronics and Tele-Communication). He has total Experience of 15 years. He is working in CRISP since 2019. His areas of expertise are PLC and SCADA. Prior to joining CRISP, he was working as freelancer in his start-up at Bhopal. Prior to freelancing he has worked at CRISP for around 7 years with his expertise in VLSI Design, Embedded System Design and Electronics Maintenance. He has undergone training abroad and in India from reputed institutions in PLC and VLSI Design.	9826944564	
7.	Mr. Subrato Howlader - holds degree Engineering, ME (Digital Comm) and PG Diploma in Embedded system Design with over 16 years of experience in Technical training and Teaching in the area of Embedded System, IOT, Industrial Automation, PCB Designing, FPGA Based Digital Design, MATLAB and Simulink, Mechatronics, Labview for Virtual Instrumentation. Worked as Technical Teacher and Trainer in different technical training Institute. Conducted many Faculty development program and Student technical training programs. Prior to joining CRISP, he has worked as HOD (Mechatronics) at KIKI Center of Technology Gurugram Haryana.	9098456069	
8.	Mr.Harish Bharti – hold an Engineering degree in Electrical & Electronics with total 8 years of experience out of which 3 years of experience of working in industry and 5 years in training. He has worked as maintenance and safety engineer in power plant in commission and maintenance of motor and starte. He is working in CRISP, as a trainer for conducting training programs in the area of Electrical Engineering. His areas of expertise include Electrical control and Relay logic application, Transformer and switchgear maintenance, Electrical Safety, Protection System and Electric Substations. He is a certified trainer of Construction Sector Skill Council.	8839942462 9098830894	

9.	<p>Mr.Pradeep Vashishtha – hold a Post-Graduation degree and ITI with specialization in Electronics. He possess around 30 Years Industrial Experience in Different Verticals like Electronics Maintenance (Consumer Electronic Products, Industrial Electronics), Quality control of Optical Fiber & Cables in Optical Fiber Cable Plant. He has worked in OFC Projects in Aerial Telecom, Reliance Communications Ltd, HUTCH, and Aster Telecom. 3 Years Practical experience in Training related to Electronics Engineering.</p>	9302169020

DEPARTMENT: IT TRAINING

S. No.	Faculty Profile	Contact No.	Photo
1.	<p>Mr.Devesh Chandra Lal - is a BCA and Diploma in Production Engineering; he also holds a professional certification from Microsoft and CISCO. He has rich experience of 21 years in the field of IT, Networking and CISCO training. It is highly creditable for him to become empaneled by CISCO as trainer and for curriculum development for their CCNA programme. He has also been invited by CISCO to participate in several International Seminars & Workshops conducted by CISCO in various countries; he has also been awarded as one of the best trainers for “CISCO Instructorsin Asia pacific region”. He has attended various International Technical Training in IT.</p> <p>He is working in CRISP for the past 20 yrs. and has developed competency-based curriculum and trainingmodules.</p>	9827363283	
2.	<p>Mr.Sandeep Somanath - is an M. Com with a PG DCA. He has around 24 Years of experience in the area of accountingand is working in CRISP since last 22 years; he conducts training programmes for corporate batches in India and also had an opportunity of conducting an International Training Program (Training of Trainers (ToT) for the Foundation Espace Afric, at Benin (West Africa). He has also participated in Faculty Development Program and Training of Trainers (ToT) at Bangkok. He was awarded “Trainer of Month” for his excellent performance at CRISP.</p>	9893248577	

3.	<p>Mr.Mohan B. Muley - is a Post-Graduate in Mathematics and Computer Science and an Oracle DBA certification; he has a total work experience of about 18 Years as a trainer and is working in CRISP for the last 06 yrs. where he is engaged in conducting In-house training for jobseekers, Govt. and Private sector employees. He also had an opportunity to conduct an International Training Program (Training of Trainers (ToT) for the Foundation Espace Afric, at Benin (West Africa). He has excellent hold in C, C++, J2SE, and Oracle. He has attended several Faculty Development Programmes in Pedagogy, and Training of Trainers (ToT).</p>	9827245575	
4.	<p>Mr.Kapil Shrivastava - is an M.B.A. in IT & HR, having CISCO certifications in CCNA, CCNA (Security) and IT Essentials. He is also a Certified CISCO and D-Link trainer. He has a total professional experience of around 16 yrs in IT training for job seekers and Industries. He has worked as a Technical expert for the Department of Health (GoI and GoMP). He joined CRISP in 2011 and his areas of expertise are Design, Managing and Securing LAN & WAN using CISCO and Microsoft Technologies. He has attended National Conference on Networking, Instructor Training programs from Amity, Noida and MIT, Pune.</p>	9669698990	
5.	<p>Mr.Vinod Soni - is a Graduate in Commerce with a PG Diploma in Computer Applications. He has around 23 Years of experience in the area of Modern Office Management. He is working in CRISP since last 18 years; and conducts Computer Literacy training programmes for corporates. He has also participated in the Training of Trainers (ToT) at Bangkok and has been trained in Pedagogy (Faculty Development Program) at CRISP.</p>	9300949052	
6.	<p>Ms.Ritu Shukla - holds master's degree in Engineering from University of Mumbai as well as holds Post graduate Diploma in Data science and Artificial Intelligence from IIIT, Delhi and Post graduate Diploma in environment management. Having more than 8 years of experience in industry as well as in educational field. Prior to CRISP, she worked with CSIR-AMPRI (Bhopal), MANIT (Bhopal), JSK Tecnosoft (Bhopal), Scanlytics Technology Pvt Ltd (Mumbai), Credence Analytics (Mumbai), SLRTCE(Mumbai). Her area of expertise is in Machine learning and Artificial intelligence.</p>	7247737016	

DEPARTMENT: MULTIMEDIA

S. No.	Faculty Profile	Contact No.	Photo
1.	<p>Mr.Mukesh Kharonia is BCA, with Diploma in Multimedia and Web. He has an experience of around 19 Years as a trainer in several industries such as Arena Multimedia (APTECH Ltd), Zee Interactive Learning Systems, BIMB TV, Creative Media Institute. He is working in CRISP since 2008 conducting training for jobseekers & Industries.</p> <p>His areas of expertise is Graphic Design, Web Design, Special Effects. He has attended Training Workshops on Special Effects, Screenplay Writing & 3-D Story- Board, Photography & Cinematography, Digital Marketing using Social Media. He has been adorned with the Best animation Award for 3D Short Film at NIFF 2014 and Best animation Award for a 2D Short Film on "Sanitation" in the festival organized by UNICEF & IIT Delhi 2014.</p>	9329696448	
2.	<p>Mr.Prashant Saxena – has done his Master's degree in Arts(Communication Journalism) and holds Diplomas' in Film Production & Photography, He has a total experience of around 23 years as a Photographer, NLE Editor, Cinematographer and trainer in Makhanlal University,Rai University and School of Broadcast and Communication. He is working in CRISP since 2008, conducting In-house as well as on-site training for Industries and Jobseekers.</p>	9981414471	
3.	<p>Mr.Syed Arif Hasan - is a Graduate in Maths & Post Graduate Diploma in Computer Application. He has a total experience of around 15 Years as a trainer in several industries.</p> <p>His areas of expertise are 3D Architectural Modeling & Graphic Designing. He is working in CRISP since 2009, conducting training for Industries and job seekers. He has also undergone training in Faculty Development Programme.</p>	9827744842	

4.	<p>Mr.Rampravesh Mohit Ram - holds Dual MBA, in Mass Communication & Project Management and Masters in Communication and Journalism, Drawing &Painting and PG Dip. in Video Production &Diploma in Photography.</p> <p>He has been Trained at National Institute of Design (NID) Ahmedabad. He has around 19 years of experience as an NLV Editor, Photographer, Cinematographer, Public Relations and Trainer. He is working in CRISP Since 2006, as a film Production crew for episodes for Nai Dishayen (TV), DUAD film based on Metro Railway project in Bhopal and Indore,Corporate films for CRISP , CIAE, SC Welfare, Course Video Tutorials and many more film projects.</p>	8109214899	
5.	<p>Mr.Amit Bhatnagar holds a Bachelor’s degree in Commerce and a Diploma in Animation. He has an experience of around 9 Years as trainer and has worked in DQ Entertainment Hyderabad as Character Animator and DSYW Academy Bhopal. He is working in CRISP since 2012 conducting training in Animation production for Industries and Jobseekers. His area of expertise is 2D Animation, 3D Animation, Graphics Designing & Sound Editing.</p> <p>He has been adorned with the Best animation Award for 3D Short Film at NIFF 2014 and Best animation Award for a 2D Short Film on “Sanitation” in the festival organized by UNICEF & IIT Delhi 2014.</p>	9981465330	

DEPARTMENT: BEHAVIORAL SCIENCE
